From left to right, Mrs. Mary Alma Hudson received an award for 12 years service; Mrs. Beck Hudson received an award for 9 years service; Mrs. Norma Hudson, Mrs. June Chenault, Rev. R. Q. Lawing and Mrs. Mary Alma Hudson. Mrs. Norma Chuchek will be receiving a Volunteer Award at the Virginia Division Annual Meeting on October 26, 1973 in Richmond for outstanding work done by a volunteer at the unit level. This is the highest award a volunteer can receive who is working at a unit level and truly Mrs. Chuchek deserves this award.

Chuchek will receive an award on the state level; Mrs. Ellen Jamerson received an award for 2 years service; W. W. Blythe received an award for 4 years service; Mrs. June Chenault received an award for 12 years service; Mrs. Judy Goodrich Pollard was recognized as the new Chairman for the Bike-A-Thon; Rev. R.Q. Lawing received an award for 12 years service; Mrs. Janet Noble received an award for 4 years service; Dr. C. G. O'Brien received an award for 5 years service; and shown on the far right is Rich Brenner, District Field Representative. Brod Pack, not available for photo, received an award for 5 years service.

County Unit ACS Holds Annual Meeting

The Appomattox County Unit of the American Cancer Society held its annual dinner meeting at the Parkway Restaurant on Monday evening at 6:30 p.m. Dr. C. G. O'Brien, President of the local chapter, presided at the regular business session. Attending were members of the Board of Directors and wives/husbands.

Richard Brenner, District Field Representative, spoke briefly following the dinner about the success of the Bike-A-Thon held last year and plans for another such event this year.

He told the group that the American Cancer Society is 60 years old this year and now "cancer" is no longer a hidden problem as people have come to realize that something can be done about it. Heart disease is still the leading killer but people FEAR cancer more than heart disease and that is why the American public wants a cure for the dread disease "in our lifetime". Cancer is going to be defeated in a medical laboratory, not by a one-shot deal or a vaccine so it is most important to detect cancer early so it can be treated or cured. and 65.4% of cancer can be cured now! It can be cured through research, and education.

Plans for a "skin cancer clinic" combined with an oral cancer clinic are being made and the local unit hopes that both clinics can be held in the month of June. Dr. O'Brien stated that he felt that this would be very beneficial to people in our county.

Highlights of the evening was the presentation of awards by Mr. Frank Chuchek to Board Members for outstanding service rendered the Appomatox County Unit. Receiving awards were Mrs. Ellen Jamerson, Captain W. W. Blythe, Mrs. Janet Noble, Mr. Brod Pack, Dr. C. G. O'Brien, Mrs. Beck
